

PENGE SE20 BID

A BUSINESS IMPROVEMENT
DISTRICT (BID) FOR PENGE

Dear Fellow Penge Business,

As I am sure you will know by now, the businesses of Penge voted overwhelmingly in favour of setting up a Business Improvement District.

Just to remind you, a BID is a business led company, empowered under government legislation, funded by a levy on businesses within a defined geographical area, in this case, around central Penge. The BID is intended to improve the local business environment and provide extra services for the benefit of those businesses.

A board has been formed from supportive and enthusiastic businesses in Penge and currently is made up as follows:

Designer Drapes - Judy Barrington

Kirvan Solicitors - Martin Kirvan

Propertyworld - Mark Painter

Sainsburys - Neil Davies

Solitaire Jewellers- Darren Dunwell

Twang Guitars - Philip Tindley

Community member - John Getgood

The board are now busy, setting up the company, appointing a bid manager and getting ready to deliver the services and improvements that you said you wanted to see over the life of the BID.

One of our early planned initiatives is to agree a collectively bargained refuse and recycling scheme, which will not only be more efficient and help improve the local area, but should also save your business more money than the levy you will pay. I hope as many of you take advantage of this as possible.

We will regularly update you with more information and news as we progress, but if you have any queries in the meanwhile, please contact us at hello@pengese20.co.uk

Kind Regards

Mark Painter
BID Chair
